Core Concept: wealthsimple is a canadian online investment platform founded in 2014 by michael katchan and others. it has grown significantly in a short time, with the power corporation of canada now owning 55 % of the company. wealthsimple initially offered a robo - advisor service, wealthsimple invest, which allows users to select a risk level and have an algorithm manage their investments. the platform ' s goal was to make passive investing accessible and affordable for canadians.

Point: over time, wealthsimple expanded its offerings. in 2019, it launched wealthsimple trade, a self - directed investment platform with commission - free trading. in 2020, it introduced wealthsimple cash, a high - interest savings and spending account. the company also provides tax filing software ( wealthsimple tax ) and is developing a mortgage product.

Core Concept: wealthsimple ' s products cater to various financial needs, from investing to savings and spending. the platform has different tiers ( core, premium, and generation ) with varying benefits, such as higher interest rates on savings and access to usd accounts. the app and desktop versions are user - friendly, with simple language and intuitive navigation.

Core Concept: the video provides a comprehensive walkthrough of the wealthsimple platform, focusing on wealthsimple trade. it covers account setup, investment options, automation features, and the range of investment accounts available. the pros include no - fee accounts, commission - free trading, fractional trading, dividend reinvestment, and joint account functionality. cons include the inability to perform norbert ' s gambit and restrictions for non - residents of canada.

Core Concept: the wealthsimple app is user - friendly, allowing users to manage their investments, savings, and spending in one place. it provides a clear overview of holdings, account types, and transaction history. the app also offers automation features, such as auto - deposits and recurring investments, making it easy for users to manage their finances and investments.
