Definition: The text emphasizes the importance of having a balanced approach to planning by hoping for positive outcomes while also preparing for potential challenges or setbacks. The speaker highlights the unpredictability of life, using examples of extreme luck (winning the lottery) and unfortunate accidents (a piano falling on one's head) to illustrate that both good and bad things can happen unexpectedly. Therefore, they suggest that a practical plan involves optimism combined with preparedness. In this case, despite a low chance of rain, the speaker packed an umbrella, ensuring they are ready for any weather changes.
